The image is a screenshot of a mobile browser displaying the website for 'Today's Community Church'. The browser's address bar shows 'tcclife.online.church'. The website's navigation bar includes 'Today's Community Church' and links for 'Contact', 'Give', 'Facebook', and 'Instagram'. Below the navigation bar, there are tabs for 'FEED', 'BIBLE', and 'SCHEDULE'. The main content area features a video player for 'Scattered Sunday Offline'. The video thumbnail shows a person's silhouette with their arms raised, and the word 'SUNAYS' is overlaid in large letters. A red play button is in the center of the video. Below the video, there is a 'Request Prayer' button. To the right of the video player, there is an 'UPCOMING EVENT' section listing 'Scattered Sunday' at 11:00am on Sunday, Apr. 5. The video player interface includes a progress bar at 0:00 / 1:05, a 'Tap to Unmute' button, and icons for settings and full screen.

That will also refresh the screen so that you can watch the presentation.

On an Android phone, the process is slightly different.

Click the address bar at the top. That's where you typed in the website address.
